I will have to figure out how much it was – I think it was something along the lines of $25 dollars or so – thanks, Richard

My understanding was you were just claiming transportation (i.e., cabs to the meetings).

I did incur some expense – it wasn't a lot – not sure if I can claim a per-diem or not? Thanks much, Richard

Richard,

We did a travel authorization for the one day on your Japan trip when you were on official business. Did you incur any expenses?
