Hi Joanna,

Happy New Year! I hope that you were able to take some time over the holidays, although I know you were planning to work quite a bit.

I wanted to check in with you on a few things - perhaps it would be easiest to talk on the phone. The most pressing is probably resolving Mod 4 of the UH contract, but I would also like to get any feedback you have on the email/chart regarding 15% set-aside funds I sent before the holidays. Lastly, we have some comments on the GW 106 13/14 workplan that you all had proposed modifying - mostly we are accepting your proposed changes, but we have a few questions.

Give me a call, or let me know when it would be a good time to talk.

Thanks,
David
