Barb, can you give me a quick call about the below email? Wanted to talk with you about sampling methods.

Tonya Howell
Remedial Project Manager / Superfund Redevelopment Coordinator
Superfund and Emergency Management Division
U.S. Environmental Protection Agency, Region 7
913-551-7589

Subject: Monthly sampling at PZ-11 and CW-6

Tonya

Per our telephone conversation this afternoon, we discussed reducing the sampling of PZ-11 and CW-6 from every two weeks to once a month. It was agreed that we had sufficient data collected to date that this change is warranted.

We will perform the next sampling of PZ-11 and CW-6 in August 2022.

Thank you,

Barbara J Miller
