Carolyn,

Sorry for the delay on getting you the validated results, my email to the 3rd party validation firm went to their Spam.

See attached. I also attached the emissions calculations again for your reference.

Have a good 4th of July holiday.

Regards,
Chris

Hi Chris,
Have these results been validated?

If so, can you send the final? Also, can you please calculate pounds per year from this event?
Thanks.

Carolyn,

Please see the attached Draft Ambient Air Sampling Results collected at the Site. All ambient air results were below the most stringent screening levels.

Please let us know if you have any questions.

Thank you,
Chris
