Thanks for coordinating and responding on this! I agree that the smaller group approach is best.

I'm happy to hear that Delanie is optimistic. Yes – please schedule the call between Tuesday, 9/18, and Friday, 9/21 (Monday's no good because I'll be groggy from the red eye flight). Ideally, Delanie would send comments in advance and we would hold the call later in the week so we have time to digest them. I agree that a smaller team would be the right approach.

See note from Delanie below. Not sure if everyone needs to be on the call, but based on her short description it looks positive. Any objections to having a smaller subset of our investigation team on the line.

Adam- You already gave me the heads up that you will be unavailable next week, so thoughts on pushing it back until the week of the 17th?

Hi Brittany,

I sent to draft to HDOA this morning for their comment. I see a few issues but I think we can work them out. I'm available next week Monday, Tuesday, Thursday and Friday (9/10, 9/11, 9/13, 9/14). Do any of those days work for you?

Hi Delanie-

EPA has reviewed HDOA's draft agreement and plans to share our proposed language with you no later than August 30th. I know that we are coming upon a holiday weekend, but I wanted to check to see if you have any availability on either September 6th or 7th. The purpose of the call would be to walk through the agreement and to identify any potential issues. Please let me know when you have a chance.

As an aside, I heard that there is a hurricane heading towards Oahu, I hope everything is okay.
