Subject: Re: HDOA Draft Agreement Status

Thanks Brittany and Jeryl for all the leg work here! Great summary. I would recommend that you send Andrew a note letting him know that we are anxious to to move this along and to have a final for signing by us and HDOA by end of February. We would like to resolve ADC at the same time and that your supervisor plans to contact his supervisor by weeks end.

What do you think? Any concerns from anyone on our team? Dale are u ok w that?

Subsequently, Jeryl and I spoke with Delanie (HDOA) yesterday afternoon to walk through the recommended changes and to find out additional information about ADC's current stance on moving forward with an informal resolution. Overall, the call went very well and she is anxious to come to an agreement that is ready for signatures. I am currently waiting for some additional information from Delanie to be added to the draft before I recirculate the new version to our group.

She also mentioned that there is supposed to be a senate confirmation hearing this week to appoint a new director for ADC, but was not sure about the name. I asked her whether HDOA's Acting Chair, Phyllis Shimabukuro-Geiser would oversee ADC similar to the previous HDOA Chair and she stated that the Chair's role would be to act as an ex officio member for the ADC board. Based on that part of the discussion, it does not seem that the Acting Chair will "oversee" ADC. I have conducted some online research, but have not found a new name for who is being considered for the ADC lead.

I hope to share the updated draft this week. Let me know if you have any questions.
