Hi all,

Attached please find a draft QAPP for the Cargill Redwood City (RC) Primary Data Collection Activities that we prepared along with Towill under OCE WA 0-2, TD 11. We have also attached Appendix A: Project Specific Health and Safety Plan as a separate PDF document. Please review these documents and provide comments/feedback.

Please note that we are aiming to complete these primary data collection field activities the week of January 25, 2016 and would request that we have an approved QAPP in place by Friday, January 22, 2016 at the latest.

Let me know if you have any questions.

Thanks,

**Sarah Yates**

**Subject:** OCE WA 0-2, TD11: QAPP Review Update

Hi all,

I wanted to provide a quick update to let you know that the Primary Data Collection QAPP that we are preparing under OCE WA 0-2, TD11 will be a bit delayed in coming to you for review. We are aiming to get a draft to you for review by COB Wed. January 6th. We apologize for the delay in sending this QAPP, but we came across some sections that require additional follow-up with the Subcontractor to clarify the content. Because of folks' holiday schedules and time out of the office, we need the extra time to update these sections.

As a note, this field work is tentatively scheduled for the week of January 25th, so we're hoping this still gives you ample time to complete your reviews. Sorry for any inconvenience.

Happy holidays!
