Re: Response to Clean Air Act Section 114 Information Request
BP Refinery, Texas City, Texas (BP)

Mr. Eppler,

On November 17, 2010, BP Products, Texas City Refinery submitted a response to a Clean Air Section 114 Information Request from September 28, 2010. This transmittal is in response to the subsequent request for electronic data per our phone conversation on November 19, 2010. Enclosed is a flash drive with the requested files in an Excel format.

Should you have any further questions please contact me at 409-945-1909 or by email at katherine.riemann@bp.com.

Sincerely,

Katherine Riemann
Environmental Engineer
BP Products North America Inc.
