Would 4:30 be ok? I see you have a series of 1:1s in the afternoon and I'll be downstairs in the Groner training all day. I can step out at any time, but end of day would be easiest.

Subject: Can we move Cargill briefing to this Th

Hi Jason, Nancy,

Would Thursday work for you to brief me on Cargill ? Let me know if there are times that work better for you. Thanks

Tomás Torres, Director
U.S. Environmental Protection Agency
Water Division
