> Hope this finds you well. Please assist the State of Colorado in providing some technical assistance by reviewing, and commenting on, the attached permit. I have also included Waste Management's Comments on the Draft permit as

well as CDPHE's response to those comments. Due to file size limitations I will send another email. In this subsequent email I will provide some cross-sections to aid in understanding the subsurface and the most recent annual report for other information and data at the facility.

I appreciate you and your staff's time.

Thank you kindly,

-rick.
