Walter,
On behalf of the City, I want to thank everyone for taking time out of your busy day to meet with us last week. The EPA has been most supportive of the City's efforts to remediate its waterfront. Now that we are on the leg of this massive undertaking, it was important to speak to the EPA without the other agencies or the redevelopers. It was important to introduce the Mayor Spinello and catch you up on our latest endeavors.
We look forward to continuing our dialog and your input and advice.
Thank you
Regards,
Myralee
