TIME

SUBJECT
RE: Follow-up w/ Cleaton on CSI of 5/4/81

SUMMARY OF COMMUNICATION
5/24/82 - Called Cleaton. No Answer. Will Return Call.
5/27/82 - Cleaton informed me that he had received a response regarding inspection and that he was satisfied w/response. The exceedences shown here are not significant due to the large number of outfalls that U.S Steel has. Some 200 samples were taken and these were the only outfalls where problems occurred.

CONCLUSIONS, ACTION TAKEN OR REQUIRED
No Action. Keep eye on it though.
