phone memo 9/6/85 L.A.

Al Skiles - manager - environmental resources
General Dynamics (619) 542-8585

I called to ask about past disposal methods:
no records before RCRA - 1980
he relied on old employees memories
and old city + county records

1955 - 58? Mission Bay landfill
1958 ~ 64? Otay landfill
1964 ~ 1973 Omar Landfill (they closed in 1978)

1976 → 1984 BKK
since BKK closed - Casmalia

They have used several class II-1 for
~~H~~ome wastes.
Never had a landfill on site or onsite
disposal.
Lindberg plant has been entirely paved
since 1930s.
Kearney Mesa has soil areas, they were
recently tested before paving - no
PCBs, oils or solvents detected
