NOTICE OF CLASS 1 RCRA PERMIT MODIFICATION

Dear Neighbor:

Arkema Inc., Clear Lake filed a Class 1 Resource Conservation and Recovery Act (RCRA) Permit Modification on July 3, 2018. This permit modification requests the correction of typographical errors on the hazardous waste permit HW-50392. Specifically, several analytical methods were omitted from an attached table listing the approved methods for analysis for Waste #3.

Regulations require that we notify our neighbors about changes to our RCRA permitted facilities. If you have any questions regarding these changes, please call me at (713)751-7297.

Sincerely,

Barbara Partridge
