Not every point has specific notes. Many grantors of access did not seem to care about seeing results. This may change however. These requests were noted where people specified.

NRCS Building – We don't have access agreement signed. Jason Kehrberg will be there first thing in the AM and will sign.

Elkhorn Motel – Only request was to make sure residents could get in and out.

Library- County property. Library opens at 1pm and parking lot fills up after that. Getting there beforehand will help us avoid congestion. Authorization given by commissioners and judge at courthouse in Canyon City. The do want results explained to them. Contacts Chris Labhart, County Commissioner labhartc@grantcounty-or.gov AND Scott Myers, County Judge myerssw@grantcounty-or.gov.

Grant Union HS – Let the office know when you start.
