Arlington, VA 22202

SUBJECT: NAPHTHALENE TECHNICAL - EPA Reg. No. 43841-1

Dear Christina:

As requested in follow-up to our recent NAPHTHALENE SMART MEETING at the Agency on March 28, 2007, enclosed is the following on behalf of RECOCHEM, INC.:

- EPA Application for Pesticide Registration (EPA Form 8570-1)
- Three copies of the following report:

STUDY TITLE	OPPTS NO.	MRID NO.
Naphthalene: In Vitro Dermal Absorption Rate Testing [American Chemistry Council - DuPont Laboratory Project ID #17707]	---	47104501

We appreciate your assistance. Please let us know if you have any questions or need additional information.

Best regards,

Peggy Galloway

Peggy M. Galloway
