SUMMARY OF INFORMATION REVIEWED AND FINDINGS

This submission is for determination of substantial similarity of this product with the product EPA Reg. No. 10182-19, Baquacil.

A. The similarity of this product with Baquacil, EPA Reg. No. 10182-19 may not be determined. Each product has different manufacturing process and different starting materials.

B. Registrant should submit detailed, specific, step by step manufacturing process.
For each step in manufacturing process and for each chemical reaction be specific and identify by chemical name the reactant, the term reaction mixture is not specific and it should be identified.

C. For unregistered source of active ingredient submit product chemistry data matrix for Guideline series 63.

D. Submit revised Confidential Statement of Formula and list all impurities that may be present at 0.1% and toxicological concern impurities at any level.
