Hi Christina,
Can you please help coordinate a conference call with the farmworker advocacy groups to give them an update on the pilot? They requested one a few weeks ago.

Please start by contacting Jeannie, her info is below. But also check with Virginia Ruiz of Farmworker Justice and Amy Liebman of the Migrant Clinicians Network. Also ask them if they think anybody else should be invited. On the EPA side, just invite Linda Arrington, Ana Rivera-Lupianez, you and me.

Virginia Ruiz vruiz@farmworkerjustice.org
Amy Liebman aliebman@migrantclinician.org

Thanks!
Jose

Subject: Translation Guide - Spanish Labels

Hi, Jose,

One of our staff members was able to review the translation guide and make some suggested edits in track changes. The documented is attached. Another staff member is looking at it as well, and if she is able to find time to review it, I will send any edits that she suggests as well.

Please let me know when we can schedule a follow up conference call, as we would like some clarification of the plan and next steps regarding piloting the labels. I have more availability after mid-April.

Thank you very much. Look forward to hearing from you.

In solidarity,
