Subject:	Buffalo Mountain Briefing of Administrator
Date:	01/08/2012 08:10 PM

We have 30 minutes with the administrator on Tuesday to discuss the Buffalo Mountain mine. I see this as mainly an informational briefing -- to make sure she understands the scope and potential impacts of the mine, its connection to the King Coal Highway, where we now stand on the EIS and the path we are heading down for 402 permitting,

Let me know if you need any help in pulling together the presentation.

BOB
