Subject: UPDATE: Texas Gulf Terminals Deepwater Port FR NOI; AGENCY PARTICIPATION in Public Scoping Meeting and Interagency Meeting
Attachments: 2018-17108 TGTI NOI.pdf

Good morning Folks

Some updates and requests for the Texas Gulf Terminals deepwater port project:

1. FEDERAL REGISTER (FR) NOTICE OF INTENT (NOI): Attached is the FR NOI with the logistics for the open house and public scoping meeting scheduled for September 12, 2018 in Corpus Christi, TX at the Omni Corpus Christi Hotel.

2. AGENCY PARTICIPATION IN THE SCOPING MEETING: One of our goals in the deepwater license application process is to coordinate and consolidate all agency (Federal, State and Local) requirements to avoid duplication and unnecessary impact to the public and scheduling delays. If your agency requires a public open house and/or scoping meeting, and you feel you may be able to integrate your process with our NEPA scoping on September 12 (or in future public meetings), please contact me to see what arrangements can be made. (Note - In the past, Federal and State agency reps have joined the Coast Guard and MARAD on the dais to make a statement describing their role in the project and to receive comments from the public. Your participation and/or attendance at the Open House is also encouraged.)

3. INTERAGENCY MEETING: The Coast Guard and MARAD invite you to attend an Interagency Meeting on September 12 from 2:00 - 3:00+ p.m. CDT at the Omni Hotel prior to the Open House/Public Meeting. This will be your opportunity to discuss the project, our application processing procedures, and inform us of your agency's particular requirements for the Texas Gulf Terminals project. We want to ensure the Federal NEPA review satisfies your agency's process and authorization requirements.

Please let me know if you plan to attend the interagency meeting and have any specific items to discuss. An agenda will be distributed prior to the meeting.

The Coast Guard and MARAD look forward to working with you.

Please contact me with any questions.

Thanks

Roddy
