---

Interested parties:

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) is releasing for public review and comment Order No. R9-2015-0013 (Tentative Order). Tentative Order No. R9-2015-0013 proposes to reissue one National Pollutant Discharge Elimination System (NPDES) Permit that will replace NPDES Permit No. CAG919002, for groundwater extraction discharges except to San Diego Bay, and NPDES Permit No. CAG919001, for temporary groundwater extraction discharges to San Diego Bay.

A transmittal letter and the Tentative Order are attached. Please be mindful of the comment due date, May 20, 2015 in the attached transmittal letter.

For questions or comments, please feel free to contact me.

Respectfully,

Ben Neill, P. E.
Water Resource Control Engineer
Source Control Unit
San Diego Regional Water Quality Control Board
