SUMMARY OF INFORMATION REVIEWED AND FINDINGS

Registrant is proposing an alternate physical form and alternate brand name for the new form.

Confidential Statement of Formula dated 5-4-95 is in compliance with PR Notice 91-2 it agrees with the label claim which is the lower certified limit and is acceptable

Enclosed product chemistry data in MRID No's 436419-01 and 436859 includes additional data for Guideline Series 61, 62 and 63 for briquette form and it satisfies product chemistry data requirement

Registrant should update the basic Confidential Statement of Formula and the label in compliance with PR Notice 91-2, change the label claim to the nominal concentration.
