Subject: Review of Annual Network Plan Requested
Date: Thursday, May 28, 2015 11:02:28 AM
Attachments: 2015 Annual Network Plan_Volume 1.pdf

Hello, attached is the DRAFT ANNUAL NETWORK PLAN for your review. We would like to incorporate all of your input before it goes out for public review. We are requesting your comments back by the close of the dayWednesday June 3rd . In particular, we are requesting your careful review of the following Sections as they pertain to your District and District operated monitors. We will also be soliciting input from ARB staff on the ARB operated monitors. Our intention is to post for public review by Friday June 5th.

You can give us your comments by either email or by phone. If you prefer to do track changes, please let us know and I will send you a word version of the document or specific sections.

Item	***Location***
Site/Monitoring Information	Section 3, Table 3 & Footnotes
Additional Site/Monitoring Information	Section 4, Table 5 & footnotes
List of Non-FEM PM2.5 Monitors	Section 4, Table 6
PM Operating Schedules	Section 8, Tables 16 and 17
Proposed and Recently Implemented Site Changes	Section 10
Agency Contact Information	Section 11

Also, please review any appendices that apply to your District. For Lake County, we do not have a complete letter in one of the appendices (only contains odd numbered pages)

Please see introduction for Section 4 regarding the use this use of CAMNAT Detailed Site Reports (see previous email regarding this). Detailed Site Reports will be incorporated into Volume 2 of the Report.

Please Note that the Table of Contents has not yet been updated.

Regards,
Gayle
