Dear NeT User,

Robert Prewitt successfully certified the following forms under the CGP:

NPDES ID	Form Type	Operator	Project/Site Name	City, State	Targeted End of Review
NMR1002AG	NOI	Double M. Properties	Legacy at Sierra Vista	Los Lunas , NM	08/01/2019 04:31 PM - 05:00

If your NOI or Change-NOI is subject to review, your coverage under the CGP begins at the conclusion of the 14-day waiting period, unless otherwise notified that your coverage has been delayed or denied. You will receive an email informing you once your coverage under the CGP is active.

The submission is contained in the attached file. Additionally you can view your submission history and obtain a copy of the form you submitted within the NPDES Electronic Reporting Tool (NeT) or download via the CGP Widget on the E-Enterprise Portal.

If you were the certifier of this form, a copy of your submission is also available on the Submission History tab of your EPA Central Data Exchange (CDX) account. If you have questions about this email or about NeT CGP, please refer to the NeT Help Center or e-mail NPDESereporting@epa.gov for assistance.
