weekly
12/9/14 call w MDNR

SO_2 - ~~to~~ MO - this wk at for 60 day comment period
rule
has not changed much since sent us draft

mtg on 12/16 - mtg to discuss modeling & approach - let everyone know
- what goes into CDD request
update on attainment demo for Jefferson County
SC mtg info

Pb - contact w Stacy Stotts re Buick
OR thinking long term - MDNR thinks that if start moving
from Hanc to Buick - then need a SIP
- don't want to trigger PSD by moving all the
equipment from Hanc to Buick *
-> don't want a construction permit while moving
equipment
revised Pb NAAQS
PM2.5 2012 - when are final designations lets going
out - next 2 wks.

ESAPR -

update to 128 piece - PM2.5 - handle through this - or next infra SIP
one piece of reqs that need to be approved

clean power plan - call w status

demo for industrial surface coating - MO working on

comments on opacity rule
