Re: Cancellation of Authorization by Rule

Dear Sir:

According to our records, the following wells are no longer being used for underground injection.

| Inventory No. | Well No. | Location |
|---|---|---|
| 2421 | 22 | (b) (9) [redacted] |
| 2422 | 12 | |
| 2423 | 14 | |
| 2424 | 16 | |
| 4667 | 17 | |

Therefore, we have deleted the wells from our inventory of wells in Osage County, Oklahoma authorized by rule under the Underground Injection Control (UIC) program (40 CFR §§147.2909 and 147.2910). Future use of these wells for injection would require a UIC program permit (40 CFR §147.2903).

If you have any questions or comments, please telephone (214) 655-7165 or write to the above address.

Sincerely yours,

Oscar Cabra, Jr., P.E.
Chief
Water Supply Branch (6W-S)
