Voluntary Statement

I made the following voluntary statement of fact to Sherric Petersen of
Pesticide Inspector

the South Dakota Department of Agriculture on 7/10/18
Date

I, (b) (6) [redacted] came home at 5:35pm on July 9th. I walked out to the end of my driveway to get the mail. I walked back to the house to get let my dog out and take her for a walk. I proceeded down (b) (6) [redacted] going east then walked back toward the west when I heard the sprayer coming. I stayed walking east until I could see (b) (6) [redacted] I yelled for him to get the video camera. I stayed at the end of my driveway filming while he sprayed the field directly to the Southeast of the house. The wind blew the vapor into my face as I was standing in the near the road. I began to get burning in my throat, eyes, chest, and skin. I had trouble breathing and started tingling + trembling, my heart started racing. I went back inside and starting getting more ill. called Poison Control Center, who told me to get to a hospital immediately or call 911.

I, the undersigned have either written the above statement or reviewed it and, hereby swear and affirm that the above statement is a true and accurate account of the facts as they are known to me in connection with the subject matter of the statement.
