Voluntary Statement

I made the following voluntary statement of fact to Sherie Petersen, Pesticide Inspector of the South Dakota Department of Agriculture on 7-10-18 (Date).

... Track down the chemicals used. He orginally said we couldn't get the info intill morning. on my & the Doctors insistance we were told only fertilizer was sprayed. That later changed to Round up, Ultra blazer & Tap out. (Please view doctors notes for medical report) 7 hours in the ER.

at 09:41 7-10-18 I called [redacted] Talk to [redacted] he emailed me the field report. That report did not match chemicals they earlier stated were used or the local wind conditions.

wind during ~~the~~ the incident was out of the South blowing north / north west into my property video was taken, human and animal exposure occured resulting in hospital treatment.

I, the undersigned have either written the above statement or reviewed it and, hereby swear and affirm that the above statement is a true and accurate account of the facts as they are known to me in connection with the subject matter of the statement.
