w/o Prelim Concurrence - Next 4.

Lompoc - Janice / Jon - waiting w/ operator
water well owners - requesting location of their wells not be disclosed.
* discuss water well inventory - Vandenburg - releasability of data requirements
Prelim concurrence Aug 2020 - Janice - Well location mtg
Need to revise the Prelim. date.

Midway Sunset - info from operator. SB awaiting further inst.
KR - waiting for final application. There is a new team
Mt Poso - approving - not an addendum -
SB may need clarification on why is it not an addendum.

* Next AE mtg - Series to be updated * *

Casmalia? 2 → 9. Still w/ the operator.

New Application - N. Antelope Hills - updated.
Deer Creek - add'l data from WZI - trying to get water

---

Class VI applications
* Meeting on CES on tech. comments ]
* Schlumberger call too

---

WELLSTAR - conversation earlier giving EPA access as an MoA signatory. View as "public". Exception - No UIC on well stimulation. "Confidentality of the data" needs to be discussed w/ EPA attorney.
- Can EPA maintain confidentiality * * - Logistics of what need to be shared?
WellSTAR
* also coordinate w/ EPA OKC
* Scope of the access - ?

NPC - link to report - may be in next round of stimulus
IOGCC hosted a huge report from DOE & Petroleum National Carbon capture. - States doing primacy of CCS. & Class VI $100m for CCS
