RE: REQUEST FOR ADDITIONAL TIME TO RESPOND TO REQUEST FOR INFORMATION DATED AUGUST 15, 2016

Dear Mr. Duster,

US Magnesium (USM) is in receipt of the U.S. Environmental Protection Agency (EPA) *Request for Information Pursuant to Section 3007 of the Resource Conservation and Recovery Act, Section 104(e) of the Comprehensive Environmental Response Compensation Liability Act, and 308(a) of the Clean Water Act*, dated August 15, 2016. I do not know the actual date the letter was received by USM, but I did not receive it in my inbox until August 25th. While USM is working to provide all the request information as soon as possible, I am requesting, on behalf of USM, additional time to complete the request with a proposed submittal deadline of October 7, 2016. Please advise me if EPA is agreeable to this request.

If you have any questions or need additional information, please feel free to contact me at (801) 532-1522 ext. 1355.

Sincerely,

R. David Gibby
