Jenni,

That is fine – I still want you to present the B/O report for Concurrent Repair – on Tuesday 6/28. I will prep the information.

I forwarded the meeting invite to you.

Good Morning,

I had an appointment and left here at 1330. I think we should pick up training next week. Brittney and Kendra are both gone on vacation and I just got back from being gone for 2 weeks and have a lot of things to catch up on this week. Would that be okay?

Good Morning,

My apologies I did not get a chance to check my emails this morning. I missed training I also had a capa critiquing this morning.

Can we schedule a new time?
