These are fine. I assume the actual request is more limited or that this is a subset of records that are responsive to the request as described below.

To whom it may concern,

The Office of Chemical Safety and Pollution Prevention (OCSPP) is responding to the above-referenced FOIA request. We are providing this equity notification prior to sending the awareness notification.

We are requesting an equity review for the Final Production in this matter.

I. Scope of the Request:

All emails regarding PFAS in pesticides and including references to any of the following: Anvil 10+10, Permanone 30-30, PermaSease 30-30; and Inhance Technologies.

II. Description of the Production:

There are 2 records attached for review.

III. Deadline for Review:

Recipients of this email have up to five (5) business days following transmission of this email to review the documents to be released. After 4 p.m. on the fifth business day after transmission of this email, the Action Office will send the Awareness Notification email to all identified parties.

Thank you
