NOTE TO SITE FILE

DATE: January 15, 2014

FROM: Audrey Asher, CNSL and Dan Gravatt, SUPR

SUBJECT: West Lake Landfill Superfund Site

Region 7 is establishing a special account for the West Lake Landfill Superfund Site. The Site ID is 0714. The funds will be received under an Administrative Order on Consent VII-93-F-0005, *In the Matter of Cotter Corporation and Laidlaw Waste Systems (Bridgeton), Inc., and Rock Road Industries, Inc., and United States Department of Energy*, entered on March 3, 1993, which is silent on the creation or use of a special account.

We anticipate approximately $750,000 to be deposited in the special account as we oversee the additional work we have asked the Respondents to perform to complete a supplement to a Supplemental Feasibility Study. Funds can be used in the future for the remedial action which is anticipated to be in the millions of dollars.
