Hi Gretchen,

Ann mentioned you would be willing to look at a partial denial FOIA response letter this week? We had intended the response to be complete by this Fri, but Janet McCabe at OAR wanted to review all docs related to her correspondence, [redacted] So, we will provide as much as we can on Friday, but will need to a few more days/weeks (TBD by HQ) to provide everything else.

Redacted: PII

Please let me know if you have any revisions to this letter. Thank you!

Anita

Redactions on this page and next: Exemption 5 Attorney-Client Process: Internal pre-decisional deliberative

First, Gretchen said she would be happy to look at the partial denial letter next week and answer any questions you have.

Second, I know I said that I did not need to look at these again, but here are some minor observations beginning with FOIA email 8 and ending with the first PDF on FOiA Email 4:

Not sure if I will get a chance to look through any more so hope the response goes smoothly next week.
