Subject: Bayway NJ0001511 August 2018 DMR

As requested, I am forwarding the August 2018 DMR to you for Bayway's NJ0001511 permit. FYI, the August DMR includes the semiannual characterization sample results for DSN 003A – 005A. I will be forwarding the supporting documentation that you requested in separate emails as I scan them due to the size of the documents.
