Bruce,

That works. TCEQ is setting the wheels in motion on the meeting room and Jason's Deli. Hope to send the proposed agenda soon.

Aileen

Aileen, March 11th, is confirmed for Waco. There was some talk, because of our budget concerns, of freezing all travel, but for now we think we can make at least make a Waco trip. If the State is OK with it we can meet in their offices. Our usual schedule is to arrive in Waco about 11am, have a working lunch (I think there's a Jason's Deli we have used before that delivers—the state folks might know more) and finish up by mid afternoon so we can get back on the road. We would put that suggesting on the table.

We would also like to have an agenda so we can prepare for meaningful discussions and to make sure all the right folks from EPA will be there.

Bruce,

TCEQ would prefer to meet in Waco. We were thinking mid-day might work best from a logistics standpoint. Please let me know your preferences on time and where in Waco you would like to meet. I understand that you have met at the TCEQ regional office in Waco in the past.

Thank you,

Aileen

Aileen----We, because of our budget situation, need to meet either in Dallas or Waco. We would also like to see an agenda with the topics for discussion so we can have all the right people there.
