Brad:

Kermit says he transmitted the proposed permit to EPA on June 15, making June 16 day 1. He will still respond to the comments.

Thanks,

BDJ

Subject: Question about the LOOP permit

Hi Bryan,

I just received a hard copy of the Issued Loop LLC permit in the mail. It appears that LDEQ did not consider our comments on the permit. Can you let me know why that was the case?

Thanks
