Dear Mr. Stoker:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) a revision to the California State Implementation Plan (SIP) from the Mariposa County Air Pollution Control District (District). The revision consists of Rule 513, *Emissions Statements*, amended by the District on May 15, 2018.

Enclosed is CARB Executive Order S-19-006 adopting Rule 513 as a revision to the SIP. To meet U.S. EPA's criteria for determining that rule submittals are administratively and technically complete, we have enclosed an evaluation of the effects of the rule on emissions, an evaluation of the rule's consistency with 40 CFR 51, and other supporting documentation provided to us by the District.

If you have any questions, please contact Mr. Kurt Karperos, Deputy Executive Officer, at (916) 322-2739, or have your staff contact Dr. Michael Benjamin, Chief, Air Quality Planning and Science Division, at (916) 201-8968.

Sincerely,

for Richard W. Corey
Executive Officer
