Subject: RE: Freedom Industries

Scott:

Attached please find Consent Order No. 8034, as signed by Gary Southern on behalf of Freedom Industries, Inc. Gary will give the original signed copy to Mike Dorsey the next time that he is onsite.

Also attached is a copy of the written water management plan for the Glycerin

tanks, the original of which was given to Mike Dorsey this afternoon. Again, we're desperate for approval of this plan, because we can't move any Glycerin until it's approved. Joe, per our discussion, can you please confirm whether this is satisfactory?

Thanks,

Don

********** ATTACHMENT NOT DELIVERED **********

This Email message contained an attachment named
  image001.jpg
which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
