What do you think of this write-up for OAR Communications? After the rule is signed, it would go into a bulletin about EPA rulemaking activities for the White House.

Hi Tony,

Currently there are 12 facilities where Subpart W currently applies. (b) (5) - Deliberative process privilege

Reid

Subject: Question on Subpart W

Dear Reid:

If the proposed changes to Subpart W were to be enacted, approximately how many facilities would be affected?
