DEAR MS McCARTHY,

AS A RESIDENT OF CAPE COD, MASS, I AM WRITING OUT OF GREAT CONCERN FOR THE SAFETY OF ALL OUR RESIDENTS BECAUSE WE LIVE WITHIN 23 MILES OF THE FAILED NUCLEAR POWER PLANT, PILGRIM.

SINCE EPA IS CHARGED WITH PROTECTING THE ENVIRONMENT, IT IS HARD TO UNDERSTAND WHY ENTERGY IS ALLOWED TO CONTINUE TO OPERATE THIS ACCIDENT ABOUT TO HAPPEN.

WE CANNOT WAIT UNTIL THE PLANNED CLOSING DATE of 2019. TOO MUCH IS AT STAKE.

I WOULD APPRECIATE YOUR RESPONSE

Sincerely yours
SHIRA SANDS
