RE: Underground Injection Control (UIC) Permit Application R06-TX-0005
Class VI Pre-Construction Permit Application
Administrative Review of Application

Dear Ms. Huet:

The United States Environmental Protection Agency, Region 6 (EPA), has received the Oxy Low Carbon Ventures, LLC, UIC Class VI permit application via the Geologic Sequestration Data Tool (GSDT) for a new injection well Brown Pelican CCS 1 in (b) (4) [redacted] Texas. EPA has reviewed the permit application, pursuant to 40 CFR §124.3(c), and determined that it contains the information required by the GSDT.

We will begin our technical review of the permit application. During this phase, please note that we may request additional information and clarification of previously submitted information.

If you have any questions about this letter, please contact Brandon Maples (maples.brandon@epa.gov; 214-665-7252).

Sincerely,

KENNETH JOHNSON
