John and Carrie, can you send me electronic copies of all approved workplans for the FS and the RI (including risk assessments).

Our file room needs to put them in the Admin Record. I'll send the file room the final HHRA and the Tech Memo.

If I can approve the RI/FS and BERA next week, we'll probably squeak by. Oh, we're shooting for 8/28 for a public meeting.

jon

ps, please send them to me and Rob Keating cc'd above.
