Jon,
We have asked Brown and Caldwell and Cornerstone to provide these documents to you.
I will let you know if there are any issues as URS did the phase I work plans. I am hopeful B&C has them electronically already.
Thanks,
C

John and Carrie, can you send me electronic copies of all approved workplans for the FS and the RI (including risk assessments).

Our file room needs to put them in the Admin Record. I'll send the file room the final HHRA and the Tech Memo.

If I can approve the RI/FS and BERA next week, we'll probably squeak by. Oh, we're shooting for 8/28 for a public meeting.

jon

ps, please send them to me and Rob Keating cc'd above.
