OPPD&WSEC_SO2.abc

This is Breeze's *.amz file, without the max daily files

I sent you the max daily file for the all source group, a very large (>150 MB) file

I also have max daily files for source groups OPPD and WSCE if you want them

Yep! I was just about to respond. It looks like it went through and downloaded without any problems. Can you also send me the file for 4th Highest Max 1-hr averaged over the 3 years? I believe I just have the MAXDAILY file.

Thanks

Let's try Google Drive. I need permission to download GSplit and they will hassle me when I ask. Let me know if the Google Drive option gives you problems.

Thanks

Lance

**Subject:** OPPD monitoring mxd file

The file size is too large on my end –

I have two choices

1. Use a file-splitter GSplit

a. http://www.gdgsoft.com/gsplit/

2. Send it through my Google email account – which means I have to use Google Drive. I've never used Google Drive before to share large files, but it shouldn't be too hard

Let me know what you think is best.
