Re: Notification of Planned Physical Alteration to the Facility, Cathodic Protection Project, dated November 13, 2017
Former Chevron Perth Amboy Facility
Perth Amboy, Middlesex County, New Jersey
SRP PI No. 003621, EA No. RPC000005

Dear Mr. Vargas,

The New Jersey Department of Environmental Protection (Department) in in receipt of a Notification of Planned Physical Alteration to the Facility, Cathodic Protection Project dated November 13, 2017. The Department acknowledges that the alterations to the Former Chevron Perth Amboy Facility in Perth Amboy, Middlesex County, NJ will be completed by Buckeye Perth Amboy Terminal LLC, the current owner of the facility, though the November 2017 Notification of Planned Physical Alteration correspondence was submitted by Chevron Environmental Management Company pursuant to the Resource Conservation and Recovery Act (RCRA) and the Hazardous and Solid Waste Amendments (HSWA) Permit of 2013. The Department has reviewed the November 2017 Notifications of Planned Physical Alteration and finds the methods referenced to deal with contaminated materials encountered during construction activities acceptable.

If you have any questions, please contact me at (609)984-6065, or at Lynn.Vogel@dep.nj.gov.

Sincerely,

Lynn Vogel, PG, CHMM
