RE: Comments on Wind River Reservation Pollution Discharge Permits

Dear Ms. Rathbone:

Re:

- Eagle Oil and Gas Company - Sheldon Dome Facility; NPDES Permit No. WY-0020338;
- Phoenix Production Company - Sheldon Dome Field; NPDES Permit No. WY-002495;
- Phoenix Production Company - Rolff Lake Unit; NPDES Permit No. WY-0024945;
- WESCO Operating, Inc. - Sheldon Dome Field; NPDES Permit. No. WY-0025607; and
- WESCO Operating, Inc. - Tensleep #1 (also known as Winkleman Dome); NPDES Permit No. WY-0025232

At least one of the reasons why Americans are so opposed to fracking is because of the mealy-mouthed oversight provided by the government we elected to represent us. It should not be necessary for concerned citizens to maintain such close vigilance or to insist that the responsible agency do its job proactively, with primary consideration given to the welfare of those who stand to be affected.
