MANIFEST # 00026 EPA I.D. NUMBER NJP 000 79 1236

Dear Mark,

On 9/2/88, we received a waste shipment from your facility with the following inconsistancies noted. The purpose of this letter is to verify in writing the successful resolution of these inconsistancies. Any further corrective actions required by you are also noted below.

No restricted waste notification given
(please fill out & return)

All manifest inconsistancies have been noted in the above space and on the manifest under Sections 19 and/or 35. Your signature below constitutes approval and concurrence with the resolution as indicated above. Please return this letter signed within 15 days so we may accurrately verify these corrections and update our files.

If you have any questions about the manifest resolution please contact me at 803-324-5310. We apologize for any inconvenience and will be glad to assist you in any way possible.

KEEP ONE COPY FOR YOUR RECORDS.

Thank you in advance for your prompt attention to this matter.

cc: Sales

Sincerely,

Mary Sue Keasler

16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations and the laws of the State of South Carolina.

If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.
