DATE: March 16, 1979

SUBJECT: Results of Extractable Organic Analyses and Metals Analyses, Louisville, KY, Sites

FROM: Tom B. Bennett, Jr., Chief
Analytical Services Section, LSB

TO: Mike Carter, Chief
Water Surveillance Branch

Attached are the results of the subject analyses from the following landfill sites in Louisville, KY:

- 13.68-Acre Farm
- Brickyard, Hardin County
- Valley of the Drums, A. J. Taylor Site

For status of all sample analysis, see Laboratory status reports of March 9 and March 19, 1979.

POOR LEGIBILITY

PORTIONS OF THIS DOCUMENT MAY BE DIFFICULT TO VIEW DUE TO THE QUALITY OF THE ORIGINAL.

TO MAKE THE DOCUMENT READABLE, TRY ONE OR MORE OF THE FOLLOWING:

From the Displays Settings in Windows Control Panel:

1. Set the Color Quality to the highest available: 24 bit or 36 bit.
2. Increase or decrease the Screen resolution.

From the Monitor/Display Controls:

1. For dark image page, increase the brightness and decrease the contrast.
2. For light image page, decrease the brightness and increase the contrast.

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
Region IV, Athens, GA 30605

DATE: March 16, 1979

SUBJECT: Analytical Status Report on Hazardous Wastes Sites - Louisville, KY

FROM: Tom B. Bennett, Jr., Chief
Analytical Services Section, LSB

TO: James H. Finger, Director
S&A Division

Attached is the laboratory status report on the Louisville, KY, hazardous wastes sites. This report should be used as a supplement to the status report of March 9, 1979.

Please note that this is preliminary information to provide an idea of what is being found at the various sampling sites. The final data reports will provide considerably more information on specific compounds and concentrations.

Volatile Organic Analysis - Water Samples, Louisville, KY, Sites

Tom B. Bennett, Jr., Chief
Analytical Services Section

Mike Carter, Chief
Water Surveillance Branch

Attached are results of volatile organic analysis of water samples collected from the following sites in Louisville, KY:

- o 13.68-Acre Farm
- o Brickyard, Hardin County
- o Valley of the Drums, A. J. Taylor Site

For status of extractable organic analysis and metals analysis, see Laboratory status reports dated March 9, 1979, and March 19, 1979.
