AR/OK/TX BRANCH

Mr. Talton,

Below are answers to the your agency information request:
Questions number:

1) Identify the person(s) answering these questions on behalf of my company:
   Answer: Man Minh Nguyen, Owner, Manager, Panache Cleaners, located at 13209 Jones Rd, Houston, Texas 77070, Tel: 281-807-9900. Home address: (b) (6) [redacted] Houston, Texas 77083 , Tel: (b) (6) [redacted]

2) For each and every question contain herein, identify any person consulted in the preparation of the answer.
   Answer: NONE

3) If you know of information or documents responsive to any question in this information request that are not in your possession, identify the person from whom such information or documents may be obtained.
   Answer: DO NOT KNOW

4) Identify any person you think may be able to provide a more detail or complete response to any question contained herein, along with the additional information or documents that you think they may have.
   Answer: NONE

5) Identify any person, that operates your company
   Answer: Man Minh Nguyen, Owner, Manager, Panache Cleaners, located at 13209 Jones Rd, Houston, Texas 77070,

Tel: 281-807-9900. Home address: (b) (6) [redacted]
Houston, Texas 77083 , Tel: (b) (6) [redacted]

6) **Identify any person, including your company's employees, who have knowledge, information or documents about the generation, production, use, purchase, treatment, storage, disposal or other handling of PEC or TEC to, on, or about the site.**

   Answer: DO NOT KNOW

7) **Describe any releases of any materials containing PCE or TCE that have occurred at the site. As part of the description, provide the following information:**

   Answer: NONE

   a) **When just release occurred: NONE**
   b) **How the release occurred: N/A**
   c) **The approximate amount of PCE or TCE released: NONE**
   d) **If the property upon which the release occurred was owned or operated by your company, identify the property upon which the release occurred: NONE**
   e) **A description of activities undertaken in response to each such release; N/A**
   f) **And a description of any investigations of the circumstances, nature, extent, or location of each release, including the results of any soil, water (ground or surface), or air testing undertaken. N/A**
   g)

8) **Identify any property interest that you hold in any property located within the site.**

   Answer: NONE

Request for Documents:

9) Please see attached copy-

10) please see attached copy

11) please see attached copy -

12) NONE

Environmental & Safety checklist
for

Customer PANACHE Phone 281-807-8800
Address 13205 Jones Road

This checklist has been completed by our personnel as a courtesy to you, valued customer. It covers their observations about the safety and environmental conditions in your dry cleaning plant. This checklist is provided to help you and your employees to stay in compliance with those environmental and safety rules that regulate your industry. Please take the time to review the areas checked, and to formulate plans to correct them and bring yourself into compliance.

WASTES RESTRICTED FROM LAND DISPOSAL UNDER 40 CFR 268

This notification is submitted to HEAT TREATMENT SERVICES in accordance with the Land Disposal Restrictions. The Land Disposal Restriction (LDR) Notification form applies to EPA RCRA Hazardous Wastes as either a wastewater or non-wastewater or a hazardous debris not meeting relevant LDR treatment standards. Generators of certain EPA hazardous wastes must provide the following information with each shipment delivered to a treatment facility. No waste which exceeds any treatment standards or concentration limits may be utilized in the land disposal until it can be certified by the treatment facility to meet the requirements. **The restricted wastes listed on this page are not a comprehensive list. This list represents only those restricted wastes willlhich might be accepted for treatment by Heat Treatment Services.**

1. Generator Name and number: Pinnacle Cleaners 13209 Jones Road Houston Texas 77070.
2. H E A T Waste Profile number: 115805 3500
3. E P A Hazardous Waste Code(s): F002, D039 (Please list here all E P A codes indicated elsewhere on this form)
4. Manifest number associated with this shipment: 3075876

Waste Category: ☐ Non-wastewater ☐ Wastewater

Waste Subcategory, if applicable:

A F001 - F005 Solvent Waste (check each constituent present in the waste)

Regulated Constituent	Waste Water mg/L	Non-Waste Water mg/kg	Regulated Constituent	Waste Water mg/L	Non-Waste Water mg/kg	Regulated Constituent	Waste Water mg/L	Non-Waste Water mg/kg

			☐ Methyl isobutyl ketone	0.14	33			

B D001 Treatment Standards (check if applicable)

Waste Description	Wastewater	Non-wastewater
☐ High TOC ignitable characteristic liquids subcategory based on 40 CFR 261.2 (a) (1) greater than or equal to 10% total organic carbon	NA	RORGS, or CMBST
☐ Ignitable characteristic waste, except for the 262.21 (a)(1) high TOC subcategory, that are managed in non-CWA/non-CWA-equivalent/non-Class I SDWA systems	DEACT and meet 268.48 standards; or RORGS; or CMBST	DEACT and meet 268.48 standards; or RORGS; or CMBST

C Corrosive waste Treament Standards (check, if applicable)

Waste Description	Wastewaster	Non-wastewater
☐ *Corrosive characteristic wastes that are managed in non-CWA/ non-CWA equivalent/non Class I SDWA systems*	DEACT and meet 268.48 standards	DEACT and meet 268.48 standards

D California List Prohibited Wastes (check, if applicable)

☐ HOC's	1000. mg/l	☐ Arsenic	500.0 mg/L	☐ Nickel	134.0 mg/L	☐ Acid	≤2 pH
☐ PCB's	50.0 mg/L	☐ Mercury	20.0 mg/L	☐ Thallium	130.0 mg/L		

E Hazardous Debris (check if applicable)

☐ This waste is hazardous debris and is subject to the treatment standards in 40 CFR 268.45

F F039, D001, D002, D003 or D004 through D043 (write the underlying waste constituents below

	US EPA Waste Code(s)	Regulated Constituent Present in Waste
1	D039	Tetrachloroethylene > 6.0 mg/kg
2		
3		
4		

G Certifications (Check one)

☐ Waste does not meet applicable treatment standards in 40 CFR 268 41 or exceeds applicable prohibition levels or 40 CFR 268 32 or RCRA Section 3004(d)

☐ Waste is subject to exemption from land ban treatment standards due to national capacity variance or case-by-case extension under 40 CFR 268 5; or approved petition under 40 CFR 268 6

☐ Waste can be land-disposed without further treatment. It meets all applicable treatment standards in 40 CFR 268 40 and it does not exceed the prohibition levers upon generation. (Note: Additional certification must be signed.)

I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or thorough knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268 32 or RCRA section 3004 (d). I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment. Signature _____ Date _____

I hereby certify that all information supplied above, and attached, is complete adn accurate to the best of my knowledge and ability to determine that no omissions or errors exist

The waste identified on the accompanying hazardous waste manifest 3185458 with EPA hazardous waste code(s) F002 will be shipped to one of the following treatment, storage, or disposal units.

[X] Texas Kiln
[ ] B-624 Thermal Oxidizer
[ ] RCI Separator
[ ] Oil Separator
[ ] Carbon Adsorption Unit
[ ] Solidification unit
[ ] Storage
[ ] Other as specified _____

[ ] The waste is not subject to the land disposal restrictions under 40 CFR Part 268 per the following: [ ] TC [ ] No land disposal

[X] The waste is subject to the land disposal restrictions under 40 CFR 268 as listed below:

[ ] The waste contains EPA hazard code _____ which is subject to the nationwide extension until _____

[X] The waste is an F001-F005 spent solvent and must be treated to meet treatment standards specified in 40 CFR 268.41 and indipated on attachment 1.A.

[ ] The waste is subject to the "California List" as indicated on attachment 1.B. Individual constituents likely to be present are indicated on attachment 1.C.

[ ] The waste is an F039 multi-source leachate and must meet treatment standards as specified in 40 CFR 268.43 and listed on attachment 2.

[ ] The waste must be treated according to the technology or treatment standard specified below.

GENERATOR NOTIFICATION/CERTIFICATION REGARDING SHIPMENT OF WASTES RESTRICTED FROM LAND DISPOSAL UNDER 40 CFR 268

This notification is submitted to HEAT ENERGY ADVANCED TECHNOLOGY, INC. in accordance with the Land Disposal Restrictions. This Land Disposal Restriction (LDR) Notification form applies to EPA RCRA Hazardous Wastes as either a wastewater or non-wastewater or a hazardous debris not meeting relevant LDR treatment standards. Generators of certain E.P.A. hazardous wastes must provide the following information with each shipment delivered to a treatment facility. No waste which exceeds any treatment standards or concentration limits may be utilized in land disposal until it can be certified by the treatment facility to meet the requirements. **The restricted wastes listed on this page are not a comprehensive list. This list represents only those restricted wastes which might be accepted for treatment by H.E.A.T., Inc.**

1. Generator Name and Address: Panache Cleaners 13209 Jones Road Houston, TX 77070
2. H.E.A.T. Waste Profile Number: 115825508
3. E.P.A. Hazardous Waste Code(s): F002, D039
   (Please list here all E.P.A. codes indicated elsewhere on this form.)
4. Manifest number associated with this shipment: 02215576

Waste Category: ☑ Non-wastewater ☐ Wastewater

B D001 Treatment Standards (check, if applicable)

Waste Description	Wastewater	Nonwastewater
High TOC, ignitable characteristic liquids defined in 40 CFR 261.21 (a)(1) with TOC equal to or greater than 10% total organic carbon	NA	RORGS or CMBST
☐ Ignitable characteristic waste, except for the D001 TOC subcategory, that are managed in non-CWA / non-CWA-equivalent / non-Class I SDWA systems	DEACT and meet 268.48 standards; or RORGS; or CMBST	DEACT and meet 268.48 standards; or RORGS; or CMBST

C Corrosive Waste Treatment Standards (check, if applicable)

Waste Description	Wastewater	Non-wastewater
☐ Corrosive characteristic wastes that are managed in non-CWA / non-CWA equivalent / non-Class I SDWA systems	DEACT and meet 268.48 standards	DEACT and meet 268.48 standards

D California List Prohibited Wastes (check, if applicable)

☐ HOC's	1000. mg/L	☐ Arsenic	500.0 mg/L	☐ Nickel	134.0 mg/L	☐ Acid	≤2 pH
☐ PCB's	50.0 mg/L	☐ Mercury	20.0 mg/L	☐ Thallium	130.0 mg/L		

E Hazardous Debris (check, if applicable)

☐ This waste is hazardous debris and is subject to the treatment standards in 40 CFR 268.45.

F F039, D001, D002, D003 or D004 through D043 (write the underlying waste constituents below)

US EPA Waste Code(s)	Regulated Constituent Present in Waste
1. D039	Tetrachloroethylene > 6.0 mg/Kg
2.	
3.	
4.	

G Certifications (Check one)

☐ Waste does not meet applicable treatment standards in 40 CFR 268.40; or exceeds applicable prohibition levels of 40 CFR 268.32 or RCRA Section 3004(d).

☐ Waste is subject to exemption from land ban treatment standards due to national capacity variance; or case-by-case extension under 40 CFR 268.5; or approved petition under 40 CFR 268.6 or 268.44.

☐ Waste can be land-disposed without further treatment. It meets all applicable treatment standards in 40 CFR 268.40 and it does not exceed the prohibition levers upon generation. (Note: Additional certification must be signed.)

I certify under penalty of law that I personally have examined and am familiar with the waste through analysis and testing or thorough knowledge of the waste to support this certification that the waste complies with the treatment standards specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA section 3004(d). I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment. Signature _____ Date _____

I hereby certify that all information supplied above, and attached, is complete and accurate to the best of my knowledge and ability to determine that no omissions or errors exist.

16. **GENERATOR'S CERTIFICATION:** I hereby declare that the contents of this consignment are fully and accurately described above by the proper shipping name and are classified, packed, marked, and labelled/placarded, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations, including applicable state regulations.
If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.

** -solvent waste containing only the material noted. NO other wastes in combination with it.

* - measured as mg/l TCLP

40 CFR PART 268.32 "CALIFORNIA LISTED" WASTES PROHIBITIONS

☐ Liquid Hazardous Waste having a pH ≤ (less than or equal to) 2.

☐ Liquid Hazardous Waste containing PCB's at a concentration (greater than or equal to) ≥ 50 ppm.

☐ Liquid Hazardous Waste that is primarily water and contains halogenated organic compounds (HOC's) in total concentration ≥ 1,000 ppm and < 10, 000 ppm.

☐ Non-RCRA corrective action, non-CERCLA response action soil and debris.

☐ Liquid Hazardous Waste, including free liquids associated with any solid or sludge, containing the following metals or compounds of these metals at concentrations ≥ to those specified below:

__ Nickel (Ni) 134 ppm.
__ Thallium (Tl) 130 ppm

☐ Liquid Hazardous Waste, including free liquids associated with any solid or sludge, containing free Cyanides at concentrations ≥ 1,000 ppm.

BENZENE WASTE OPERATIONS NESHAP CERTIFICATION

[Must check one box]

Check the box below which indicates the status of your waste with regard to the reporting requirements as outlined in 40 CFR Part 61 Subpart FF.

☑ This waste does not contain benzene which is required to be controlled and treated in accordance with the provisions of 40 CFR 61.342(f)(2).

☐ This waste contains Benzene which is required to be controlled and treated in accordance with the provisions of 40 CFR 61.342(f)(2).

The total quantity for which the above statements refer is 4,900 (volume can be found on manifest line item number 13).

NOTIFICATION OF TREATMENT REQUIREMENTS FOR LAND DISPOSAL RESTRICTED WASTE STREAMS

Generators Name: Panache Cleaners. EPA ID #: TXCES06

Manifest Number: # 01517842

This serves as notification to DETREX that the above-referenced waste stream is affected by the USEPA Land Disposal Restrictions set forth in 40 CFR § 268. The following ☑ substances and treatment standards are those applicable to the waste stream.

BURDEN DISCLOSURE STATEMENT
[SIGNATURE REQUIRED]

Public reporting burden for this collection of information is estimated to average 37 minutes for generators, 15 minutes for transporters, and 10 minutes for treatment storage and disposal facilities (TSDF). This includes time for reviewing instructions, gathering data and completing and reviewing the form.

Send comments regarding the burden estimate, including suggestions for reducing this burden to: Chief, Information Policy Branch, PM 223, U.S. Environmental Protection Agency, 401 M Street, S.W., Washington, D.C. 20460; and to the Office of Management and Budget, Washington, D.C. 20503.

GENERATOR CERTIFICATION STATEMENTS:
[CHOOSE APPLICABLE CERTIFICATION- SIGNATURE REQUIRED]

☐ I, the undersigned, hereby certify in accordance with the Generator Notification Requirements as set forth in 40 CFR 268.7 (revised September 19, 1994 in Vol. 59, No. 180 of the Federal Register); that I have determined by (please check):

☐ through knowledge of the waste stream(s), or

☐ through the attached TCLP analysis;

that the above waste(s) is/are restricted and must be disposed of in the approved manner.

X Generator's Representative: _____ 02-13-98
Signature date

☐ I certify under penalty of law that I personally have examined and am familiar with the waste(s) through analysis and testing or through knowledge of the waste(s) to support this certification that the waste(s) complies/comply with the treatments standards specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA section 3004 (d). I believe that the information I submitted is true, accurate and complete. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment.

Generator's Representative: _____ _____
Signature date

☐ I certify that the waste stream(s) represented on the previous pages does NOT contain any of the EPA waste codes as listed on this 3 page NOTIFICATION FORM.

Emergency response guide #74. **For 24 Hr. Emergency response call 1-800-424-9300.**

16. **GENERATOR'S CERTIFICATION:** I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packaged, marked, and labelled/placarded, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations, including applicable state regulations.
If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.

QUESTION # 11

ASSIGNMENT OF LEASE

STATE OF TEXAS)(
)(KNOW ALL BY THESE PRESENTS:
COUNTY OF HARRIS)(

THAT D & N Cleaners, Inc., ("Assignor"), for good and valuable consideration the receipt of which is hereby acknowledged has BARGAINED, SOLD, ASSIGNED, SET OVER and TRANSFERRED, and by these presents does absolutely and unconditionally BARGAIN, SELL, ASSIGN, SET OVER and TRANSFER unto MTT Cleaners Corporation d/b/a Panache Cleaners ("Assignee"), all of Assignor's right, title and interest in and to a Shopping Center Lease Agreement dated May 1, 1996 between Cy-Fair Plaza, Inc., as landlord, and NVP, Inc. d/b/a Panache Cleaners, as tenant, the premises of said lease having been subletted by Assignor by Sublease Agreement dated May 11, 1999 (said Shopping Center Lease Agreement, and all modifications and amendments thereto being referred to herein as "Lease") for the lease of real property described as follows:

13209 A Jones Road
Houston, Texas 77070

Together with any and all security deposits, revenues, moneys, proceeds, benefits, and payments held by or accruing and to accrue, and all sums payable to or to be payable to, Assignor and to which Assignor is or might be entitled under, by virtue of, or arising as a result of said Lease, or otherwise without limitation.

Assignee specifically assumes all obligations of Assignor under the Lease.

Assignor and Assignee represent and warrant that the Lease is in full force and effect, and that, as of the effective date of this assignment, the Landlord is not in default of any terms and conditions in the Lease.

All of the terms and conditions of this Assignment of Lease shall be binding upon and inure to the benefit of the parties hereto, and their respective heirs, devisees, legal and/or personal representatives, successors and assigns.

T.P.

Landlord signs below to acknowledge its consent to the assignment of the Lease.

EXECUTED effective this 18 day of JULY, 2003.

UNCONDITIONAL LEASE GUARANTY AGREEMENT

THIS UNCONDITIONAL LEASE GUARANTY AGREEMENT ("Guaranty") is made by Man Minh Nguyen ("Guarantor") to and for the benefit of Cy Fair Plaza, Inc. ("Holder"), its successors and assigns, and any subsequent holder or holders of the Lease Documents (as herein defined).

In order to induce Holder to enter into the Lease Agreement with Tenant (as hereinafter defined), Guarantor hereby creates and makes this absolute, irrevocable, unconditional and continuing guarantee to guarantee the performance of the Lease Agreement by Tenant. This Guaranty is a primary obligation from Guarantor to Holder which is a separate and independent obligation from the obligations of Tenant to Holder.

DEFINITIONS

The following terms shall have the following meanings as used herein:

a. Guarantor. Man Minh Nguyen, whose address is 11303 Sharpview Drive, Houston, Texas.

b. Guaranty. This Unconditional Lease Guaranty Agreement.

c. Holder. Cy Fair Plaza, Inc., whose address is 3033 Chimney Rock, Suite 400, Houston, Texas 77056, and its successors and assigns.

d. Lease Agreement. A document entitled Shopping Center Lease Agreement for the lease of commercial real property located at 13209 A Jones Rd., Houston, Texas 77070 and executed on or about May 1, 1996 by Holder, as Landlord, and NVP, Inc. d/b/a Panache Cleaners as Tenant.

e. Lease Documents. The Lease Agreement, Guaranty, and any and all documents evidencing the obligations of Tenant to Holder arising from any and all agreements related to the Lease Agreement.

T.P.

f. Obligations. This term is used in its most comprehensive sense to describe and include any and all obligations of Tenant arising from the Lease Agreement and Lease Documents, including those obligations implied by law.

g. Tenant. One or more persons and/or entities who have executed the Lease Agreement as Tenants (as that term is defined in the Lease Agreement), and any and all persons and/or entities who thereafter agree to perform the obligations of Tenants (as defined in the Lease Agreement). Without limiting the foregoing, Tenant means MTT Cleaners Corporation d/b/a Panache Cleaners .

COVENANTS AND CONDITIONS OF GUARANTOR AND GUARANTY

Guarantor hereby absolutely, irrevocably and unconditionally guarantees the complete and timely performance of all Obligations by Tenant arising from the Lease Documents, including but not limited to the payment of rent provided by the Lease Agreement. Additionally, Guarantor hereby absolutely, irrevocably and unconditionally agrees to pay any and all damages suffered by Holder because of or on account of the breach by Tenant of any Obligations arising from the Lease Documents.

Upon the occurrence of an Event of Default (as described hereinafter), Guarantor agrees to promptly pay to Holder any rent, charges and expenses, and any damages owed to Holder by Tenant pursuant to the Lease Documents as such rent, charges, expenses and/or damages accrue and/or otherwise mature and become due and payable.

Guarantor understands, acknowledges and agrees that by virtue of this Guaranty, Guarantor assumes all risk that Tenant, voluntarily or involuntarily, may become involved in or subject to bankruptcy, reorganization and/or insolvency proceedings, and that the performance of Tenant's Obligations may be renewed, arranged, amended, modified, discharged, extended, terminated, and otherwise stayed and/or cured by virtue of such proceedings. Notwithstanding any renewal, arrangement, modification, amendment, discharge, extension, termination, stay or cure in any bankruptcy, reorganization, and/or insolvency proceeding, upon an occurrence of an Event of Default (as defined hereinafter) Guarantor expressly agrees to promptly pay to Holder any rent and any damages which would otherwise be owed to Holder by Tenant in the absence of such proceedings.

T. P.

Guarantor agrees that this Guaranty shall continue until all performance required by Tenants pursuant to the Lease Documents is completed in accordance with the terms of the Lease Documents. Guarantor expressly agrees that this Guaranty shall apply to and continue for all extensions, modifications, renewals, addendums and amendments to the Lease Documents and to the Obligations of Tenant to Holder pursuant to the Lease Documents. Guarantor agrees that this Guaranty shall continue as a separate and distinct obligation of Guarantor to Holder notwithstanding the institution by or against Tenant of any bankruptcy, receivership, reorganization, or insolvency proceedings.

Guarantor agrees that in the event that Tenants are not liable for the Obligations evidenced by the Lease Documents because the acts of creating or incurring the Obligations were unauthorized, or persons creating or incurring the Obligations acted in excess of their authority or without authority, and because of the foregoing the Obligations owed to Holder cannot be enforced against Tenant; then in that event the fact that it is unenforceable against the Tenant shall in no manner affect Guarantor's liability hereunder.

Guarantor agrees that all information supplied to and all statements made to Holder by and on behalf of Guarantor prior to, contemporaneously with, or subsequent to the execution of this Guaranty are, to the best of Guarantor's knowledge and belief, true and accurate.

WAIVERS

Guarantor waives any right of subrogation until all obligations of Guarantor pursuant to this Guaranty have been completely satisfied and performed.

Guarantor waives the right to receive any and all notices of default and demands for payment and performance by Holder to Tenant, including, without limitation, grace, presentment, protest, dishonor, notice of dishonor, notice of demand, notice of demand for payment, demand for payment and/or performance, notice of acceptance, notice of possession or seizure of property pursuant to lien or to secure performance of the Obligations of Tenant, notice of sale and/or disposal of property held or seized pursuant to lien or to secure performance of the Obligations of Tenant, and notice of intent to proceed with eviction.

T.P.

Guarantor expressly agrees that this Guaranty shall not be discharged, diminished, released, reduced, altered, impaired or otherwise affected by, any of the following:

a) indulgence and allowance to cure by Holder with respect to the payment and performance of the Obligations by Tenant,

b) delay, omission, or the lack of diligence by Holder with respect to the collection, payment and performance of the Obligations by Tenant,

c) any increase, rearrangement, alterations, subordinations, compromise, consolidation, modifications, renewals, extensions, amendments, and addendums to the Lease Documents and the Obligations of Tenant by agreement between Holder and Tenant,

d) disposition of any property used as collateral or as security for the Obligations of Tenant pursuant to the Lease Documents, and any lack of diligence or reasonable care in the preservation, protection, sale or other handling of such property,

e) the partial release of any Tenant or of any co-guarantor from the Obligations of Tenant and/or obligations of such co-guarantor,

f) the assignment of the Lease by Tenant,

g) the failure of Holder to create, perfect, maintain or continue any lien or security interest in and to property which secures, or may be used to satisfy the Obligations of Tenant, and

h) the failure of Holder to pursue and exhaust any and all rights and remedies of Holder against Tenant.

Guarantor waives any rights which require Holder to mitigate, or to attempt to mitigate any damages caused by the failure of Tenant to perform the Obligations of Tenant pursuant to the Lease Documents.

Guarantor expressly waives any right or remedy which Guarantor might have pursuant to the Texas Rules of Civil Procedure, the Texas Business and Commerce Code, and any and all rights to which Guarantor may be entitled by virtue of the suretyship laws of the state of Texas.

T.P.

Guarantor agrees that in the event that one or more of the foregoing waiver provisions is illegal, contrary to public policy, or is otherwise unenforceable; the presence of the unenforceable provisions shall not affect the validity of the remaining waiver provisions.

Guarantor expressly waives any right or remedy which Guarantor might have to receive any additional consideration on account of the various waivers contained herein. Guarantor acknowledges that Holder would not enter into the agreement evidenced by the Lease Documents with Tenant but for this Guaranty and these waiver provisions.

EVENTS OF DEFAULT

The occurrence of any of the following events shall constitute an Event of Default:

a) failure by Tenant to pay rent and any other charges and expenses timely and/or in the proper amount required by or in accordance with the terms of the Lease Agreement and Lease Documents,

b) failure by Tenant to perform the any of the Obligations of Tenant arising from the Lease Documents, to the extent that Holder has suffered damages and/or incurred expenses by virtue of the failure by Tenant to perform such Obligations, and

c) any default and/or event of default as defined in the Lease Documents, to the extent that Holder has suffered damages and/or incurred expenses by virtue of such default.

WAIVER BY HOLDER

No delay in enforcing, failure to enforce, or failure to assert any provision of this Guaranty by Holder against Guarantor shall constitute a waiver of such provision or a waiver of any other provision in this Guaranty, nor shall such delay or failure prevent Holder from enforcing such provision thereafter.

ENTIRE AGREEMENT AND MODIFICATIONS

Holder and Guarantor expressly agree and acknowledge that the provisions contained herein constitute the entire agreement between Holder and Guarantor. Holder and Guarantor agree and acknowledge that no verbal agreements and promises have been made relating to or in connection with the performance of this Guaranty.

Holder and Guarantor expressly agree that this Guaranty may not be amended, modified, or otherwise altered unless such amendment, modification, or alteration is in writing and signed by Holder and Guarantor.

ASSIGNMENT BY HOLDER

This Guaranty may be assigned by Holder without notice to Guarantor and without the consent of Guarantor.

IN WITNESS WHEREOF, Guarantor hereby executes this Guaranty and agrees to the terms herein.
